has to be taken But the only
Municipal Act, 1933, as amended
amended to provide for adult franchise, the
the Bill has been passed at the
last Session of the L.A. and as
according to its intent on the
promulgation of the Amendment Act
Govt would have power to extend
the term of the Council up to 5 yrs.
To enable elections being held on
the basis of adult franchise it will
be necessary to extend the term of
the Council for a further reasonable
time

1) The term of the President
and the Vice-President in the Barangay
and Municipalities has been limited
to one year when the term is
extended for a further period for
1.1.52, it becomes necessary to
take action for holding elections to
fill up the vacancies of the President
and the Vice-President

4) A draft letter to the Municipal
Council, Barangay etc is put up on
the above lines for approval or other
orders

5) According to G.O. No. 12586-7
M.C. No. 17124 dated 17-1-1947
the President will hold office

from 1st January to the 31st December
each year. As the matters stand
at present, the present Council will have
to be continued for 6 months only from
5-1-52. If there were to be election
of President and Vice President during
January 1952, these persons have
to hold office for 6 months only during
this period, no substantial work
can be turned out nor any programme
be put up. Hence it is better to continue
the President & Vice President but it
cannot be ordered until unless the
Municipal Council resolve that the
Present President and Vice President
may be continued till 30-6-1952.
If a resolution is passed to that effect then
~~for which can~~ the requirements of
Subsection 12 of Section 23 of the
City Mty Act ~~would~~ can be deemed
to have been complied with Subsection

The Council of the Damangere city, all of 5313/14

b) 12 of Section 23 reads as follows: "The
President, Vice President and
members of the Council shall have the same
powers as those provided in this Act." It is
expiring their term of office as councillors,
Provided that, in the case of elected
Presidents or Vice Presidents or both, the
Govt may, in special cases, with the
consent of the Municipal Council concerned
direct that their term be limited to one
year & that the elections therefor be held
every year.

2) Hence Govt have got powers to
limit the period with the consent
of the Municipal Council. In this
case, the City Municipal Council
Damangere may be requested to
forward its opinion in the matter
of continuing the present President &
Vice President and then further
order passed.

20) Limiting the
which The Davangere City Municipal Council
whose term was extended by one year as G.O.
no. h-7426/10 of 33-50-2 dated 25.10.50
is due to expire on 31.12.51

21) The Bill to amend the Mysore
City Municipalities Act 1933 passed at the
last Session of the Legislative Assembly
and which is awaiting the assent of His
Highness provides among other things, for
adult franchise and the creation of
Single member constituencies, besides the
system of nominations hitherto in vogue
being completely done away with under
the amended provisions the term of the
Council is fixed at 4 years (which is
extensible by the usual period of another
one year under special orders of Govt)

(instead of
the present
period of
3 years)

22) The finalisation and enactment
of this legislation being so imminent,
it may perhaps not be desirable to hold
the elections under a system of Restricted
franchise. The holding of the elections in
accordance with the amended provisions
is naturally better than the term
of the Council remains to be further extended,
for a reasonable period

23) With a view to placing this Bill on

5/8/16/jml

Term of the Bangalore city and Council

The Statute Book Govt wants to give the power to extend the term of the Council upto a total period of 5 years But have also enforced the consideration of the President that the term of the Council should be extended. Since this would be the first of the modifications to be issued under the Amendment Act in connection with the Reconstitution of the Bangalore city Municipal Council

24) The question next to be considered is for what period the term of the Council can be extended. The election for the Reconstitution of the Municipal Council as per the amended provisions involves the going through of the following process -

(a) Dividing the Municipality into territorial divisions and notifying their boundaries by a notification in the gazette by the Govt. This stage would take about two months.

(b) Preparation of electoral Rolls of all adult voters. This has been done after the boundaries of the divisions are fixed and 3 months before the Reconstitution of the Council. The Roll or List shall be finalised within a month and a half from the date of publication. So this will take

586/me

Term of the Bangalore City Municipal
Council
another 3 months

(c) Issue of notice of the time and place of election, a month before the date of election

(d) Receiving nominations of Candidates 15 days before the date fixed for the election

(e) Withdrawal of Candidates

(f) Scrutiny of nomination papers - This will be on the 3rd working day after the last date fixed for receiving applications for Candidates

(g) publication of the list of eligible Candidates

(f) polling

25) The Stages 3 to 8 indicated above synchronise with the publication and finalisation of the electoral rolls and do not involve any additional time

26) It is thus seen that after 18 months of the Bill about 6 months are necessary to conduct the elections and therefore the term of the Bangalore City Municipal Council may have to be extended accordingly up to the end of June 1952

27) Under Sub Sec (2) of Sec 1 of the Amendment Act, it is laid down

5816/22

That the provisions of the Act shall come into force on such dates and in such city municipalities as the Govt may, by notification in the Gazette, specify in this behalf and different dates may be specified in respect of different provisions in the case of any city municipality

23) The provisions of the Act require to be brought into force immediately in the Bangalore city Municipality as the term of this Council is due to expire at the end of this month. But Sections 4 and 5 of the Amendment Act deal with the strength of the Council, the mode of filling the places of councillors, Reservation of Seats for Schedule Castes, etc and this new provision is a departure in important respects from the practice till now obtaining. As it is the intention to extend the term of the present Council till July next, certain complications might arise if a part of Sec 4 and Sec 5 are brought into force with immediate effect vis a vis the composition of the present Council which has now on its nominated members also the

Times of the Breuneger city municipal Council

The Second of the notification to dissolve immediately now is the one to bring into force in Breuneger city municipality all the provisions of the amended Act except Sub Sec (2) & (3) of Sec 4 and Sec 5, these latter provisions being however made to be operative from the date of the commencement of the election including all the different Stages connected therewith

29) The determination of the number of councillors is a pre-requisite to the fixation of the boundaries of the territorial divisions Hence a notification under Sec 4(1) determining the number of councillors on the Breuneger city municipal is also immediately called for. The number may be 25 or at present

30) The issue of these three notifications appears necessary to enable the general elections to the Breuneger city municipal Council being held in accordance with the amended provisions. As regards Mysore city, the question may perhaps be reserved for separate consideration as the Council has yet to form a Council of ^{query} ~~advice~~ are given. (January 1953)

31) A note of the action required

to the extent to put up with before the enactment of the legislation just to be prepared with all these formalities in view of the insufficiency of time for the reconstitution of the Davangere city municipal Council

33) Some of the provisions of the Mysore City Municipalities Amendment Act 1951 will have to be made applicable to Davangere City Mty immediately to enable Govt to extend the term of the existing M Council beyond 31-12-51. The effect of applying of Sections 4 & 5 of the amending Act immediately to Davangere requires to be exp'd. These sections relate to the Constitution of the M Council & the point for examn is whether the existing Council which contains nominated members & which has no repⁿ

reserved for scheduled castes can function even after Sections 4 & 5 of the Amending Act are brought into force in the area.

34) If it is considered that the existing council has to be dissolved immediately Sections 4 & 5^{of Amending Act} are applied to Davangere, the next point for consideration is whether these sections can be made applicable with effect from a future date (probably 1-7-52) by a notification now alone & elections held under the provisions of the Amending Act even before these provisions are actually applied to the area. If this ~~is~~ by holding elections under the present provisions in anticipation of their becoming applicable, is permissible there can be no difficulty.

35) If this procedure is not permissible it may become necessary to apply these

immediately only Sec 5 of the amending Act relating to delimitation of constituencies, reservation of seats for Scheduled castes and franchise to hold elections thereunder ~~the~~ Andm issued under Sec 9C3 of the existing Act can declare the fix the number of Councillors & declare that all of them can be elected

The other provisions of the amending Act present no difficulty. The Law Sect may please examine which of the above alternatives may be adopted.

36) The Mysore City Municipalities (Amendment) Bill, 1951 has been submitted to the Govt. and is awaiting approval. There does not appear to be any legal difficulty in bringing sections 4 and 5 of the amending Act into force immediately after it becomes law. The bringing into force of sections 4 and 5 of the amending Act does not appear to necessitate dissolution of the

Existing Council immediately
It is doubtful whether it would
be legal to hold elections in
anticipation of the provisions
of law brought into force at a
future date. The basis for elections
being held, is that the law should
be in force, so that it may be
pursuance of the provisions of the law.

39) Assuming that the Bill becomes law before the
term of the Davangere Municipal Council expires, the
following course is suggested

40) Under section 1(2) of the Amending Act, the
required provisions of the said Act such as sec 8
may be notified as coming into force immediately in
respect of Davangere Municipality. When once sec 8
of the Amending Act comes into force it will be open
to the Government to further extend the term of the
Municipal Council, provided the aggregate does not
exceed five years. For example, it may extend

3881/Law 1954/KD
1) am - fr 1/11/51

the term of the Municipal Council till 30th June 1952, (this will have to be done, however, before the expiry of the present term) A further notification may also be issued to the effect that the other provisions of the Amending Act will come into force in Davangere Municipality with effect from a certain future date, as for example, 1st July 1952 It will thus be permissible for the present Municipal Council to function till the expiry of the extended term, while such action as may be necessary may be taken in the meanwhile for purposes of sec 5 and the other sections which will have been notified to come into force as from 1st July 1952 Such action could perhaps be taken even under the provisions of sec 10 as it now stands The election could be arranged to be held on 1st July 1952 An ordinance may be necessary to enable the same Council to continue to function from 1st July 1952, till the newly constituted Council comes into office If need be, these aspects may be further examined and in the meanwhile action being taken as soon as the Amending Act becomes law to extend the term of the Council for such ^{period} ~~term~~ as may be considered necessary

43 I think the best way
to notify that such an Act
Amending Act comes into force
i.e. extend the life of the present
Council till 1st July 1952 or any
other date that may be found
suitable.

44) The Constitution of the new
Council to be formed after 1-7-52
or such other date as may be specified
may be determined as above under
secs 9 & 10 of the Principal Act -
which will come into force Secs 4 & 5
of the Amending Act will have been
brought in force before determining the
Constitution as above suggested, it must
be determined so as to be in conformity
with the new sections 9, 10, 10A & 10B (as they will be
after the Amending Act sec 4, 5 come into force).
Secs 4 & 5 of the Amending Act can then be
brought into force from 1-7-52 or such other date
to be specified as above indicated.

45) If the above procedure is adopted,
there will be no ^{serious} legal difficulty in
holding the elections before 1-7-52 -
